PROFESSIONAL SUMMARY

Passionate and results-driven E-Commerce Developer with 2+ years of hands-on experience building high-performance Shopify storefronts, dynamic Liquid sections, custom theme architectures, and web applications. Proven track record of optimizing Core Web Vitals, increasing checkout conversion rates, and integrating third-party APIs.

PROFESSIONAL EXPERIENCE

Autumn — SDE-1 | Shopify Developer

April 2026 – Present

- Develop and customize Shopify themes using Liquid, HTML, CSS, and modern JavaScript.
- Build reusable and dynamic Shopify sections conforming to bespoke design and business requirements.
- Implement Core Web Vitals and performance optimizations, reducing page load times by up to 40%.
- Utilize Shopify CLI for streamlined theme development, customization, and continuous deployment workflows.
- Collaborate across cross-functional teams with Git and GitHub for version control and code reviews.

11:11 Media — Shopify Developer

July 2025 – March 2026

- Customized high-traffic Shopify themes utilizing Liquid, HTML5, CSS3, and JavaScript.
- Created modular sections tailored to marketing campaigns and brand launches.
- Integrated and configured third-party Shopify apps including reviews, loyalty, and analytics.
- Improved website UI/UX and ensured strict responsive consistency across all mobile devices.

iSpark IT Services — Shopify Developer Intern

April 2025 – June 2025

- Developed responsive theme sections with HTML, CSS, JavaScript, and Liquid template engine.
- Assisted senior developers with theme customization, component prototyping, and feature rollouts.
- Conducted cross-device QA testing and resolved responsive styling and layout bugs.
